

## DAMAGE TO THE LARGE GALER GARDEN BED

December 16, 2021

Dear Friend,

We want to let you know that there was a vehicular accident at Queen Anne Avenue N and Galer late Monday night that resulted in damage to the northwest side of the large Galer bed. Some of the curb was broken, a utility box inside the bed was ripped apart, a few inscribed pavers were broken, plants were damaged.

Fortunately, from what we've heard so far, it doesn't sound like anyone was injured. The driver of a vehicle lost control, T-boned a parked car, jumped the curb and damaged the curbside of the garden bed.

We're in the process of gathering further information about the accident in order to determine liabilities and responsibilities with regard to damage done and repairs to the plants and pavers.

Please be assured our goal is to replace the damaged pavers and bring the garden bed back to the condition it was in prior to the accident.

We'll do our best to keep you informed of our progress. Please don't hesitate to contact us ([pictureperfectqa@gmail.com](mailto:pictureperfectqa@gmail.com)) if you have any questions or comments.
