

Every garden needs a scarecrow. Thanks to the creativity of Sheila Callahan, Deems Okamoto, and Margaret Okamoto, the gardens have Craig. Craig is joined in the large Galer bed by his new buddy, Lupo, during GiveBIG 2021.

Dear Friend

With heartfelt gratitude, we wish to thank our GiveBIG donors and garden clean-up volunteers for supporting our efforts to make Queen Anne Avenue picture perfect.

Your generosity carried us far beyond our \$10,000 goal. You contributed \$20,022.00 through donations made on the GiveBIG website and directly to PPQA. Way to go!!

Special thanks to Unmesh Wankhede & K. R. Prabha, Lori Kent & Tracy Wald, Jeff & Sharon Parker, Judy Massong, the Lawson-Sarkowski Family, Kathy & Tim King, Maureen Frisch, Laura Corvi & Robert Davis, and Beth Bunnell, for creating the inspirational \$8,600 matching fund.

Thank you, one and all, for helping to
PLANT-WEED-WATER-REPEAT

Sincerely,
Denny, Ellen, Judy, Kathy, Laura, Margaret
